ESL Classes
Calgary International Learning Centre (CILC)
Located at First Baptist Church

CILC offers a variety of day and evening terms. Registration is required for all classes with charges involved.

Childcare is provided during the class time for children aged 5 and under. This also requires registration. See the brochure for costs.

We currently have different levels of classes. Every applicant is required to take an assessment test for the classes. This test is usually scheduled one week before a new term starts. After you register with us, we will arrange a time for your test.

To register:

- Pick up a registration form at the CILC office, or print it out from our website.
- Fill out the registration form and submit it to the CILC office.
- Pay your registration fee and a minimum of \$50 of your tuition to reserve your place in class along with your registration form.
- Bring the documents that prove your citizenship status in Canada.
- Make payment of the full tuition prior to the beginning of class.
- Make an appointment for an assessment test.

Registration fee: \$30 *non-refundable* registration fee for first time students or for those returning after three months

Tuition for all students varies according to the term. See the brochure.

Payment can only be made by cash or cheque. If you pay by cheque, please make it payable to "First Baptist Church".

If, after the **assessment test**, an applicant's English level is determined to be lower than our lowest class level, a tuition fee refund will be given after the original receipt is received.

If an applicant decides **to withdraw**, he/she is to inform us prior to the semester starting. The registration fee of \$30 will not be refunded, and the tuition will be refunded minus \$20 per day to the day of notification of withdrawal, with no refund after the second week of class.

Parking is available only for a short visit, such as registering for a class. Students are not allowed to park at the church parking lot during class time. It is the student's responsibility to find their own parking.

This program is made possible by the kind and generous donations of various organizations and individuals.

If you have any questions, please do not hesitate to ask.
