

# Pilate's Journey With Jesus

## 1. Full of Authority (v.v.28-32)

*“What are the charges against this man?”*

*“Take him yourselves and judge him by your own laws!”*

*“Don't bother me – I'm a busy man!”*

## 2. Full of Curiosity (v.v.33-38)

*“Are you the king of the Jews?”*

*“Am I a Jew? It was your people and your chief priests who handed you over to me. What is it you have done?”*

*“You are a king, then!”*

*“What is truth?”*

*“Who are you Jesus? I’ve not met someone like you before!”*

### 3. Full of Conviction (v.v.38-19:6)

*“I find no basis for a charge against him . . .  
Do you want me to release the king of the  
Jews?”*

*“Look, I am bringing him out to you to let you  
know that I find know basis for a charge  
against him . . . Here is the man!”*

*“You take him and crucify him. As for me, I  
find no basis for a charge against him.”*

**“This man is innocent and should be set free!”**

#### 4. Full of Apprehension (v.v. 7-12)

*“Where do you come from!?”*

*“Do you refuse to speak to me? Don’t you realize I have power either to free you or to crucify you?”*

*“Now I’m the one in trouble!  
If Jesus is who he claims to be I’m must obey  
what my heart & mind are telling me!”*

## 5. Full of Vacillation (v.v. 13-22)

“Here is your king!”

“Shall I crucify your king?”

<sup>19</sup>*Pilate had a notice prepared and fastened to the cross. It read: JESUS OF NAZARETH, THE KING OF THE JEWS. . . .*

<sup>21</sup>*The chief priests of the Jews protested to Pilate, “Do not write ‘The King of the Jews’, but that this man claimed to be a king of the Jews.”*

<sup>22</sup>*Pilate answered, “What I have written, I have written.”*

the 1990s, the number of people in the UK who are employed in the public sector has increased from 10.5 million to 12.5 million, and the number of people in the public sector who are employed in health care has increased from 2.5 million to 3.5 million (Department of Health 2000).

There are a number of reasons for the increase in the number of people employed in the public sector. One reason is that the public sector has become a major employer in the UK. Another reason is that the public sector has become a major employer in the health care sector. A third reason is that the public sector has become a major employer in the social care sector.

The increase in the number of people employed in the public sector has led to a number of changes in the way that the public sector is organized. One change is that the public sector has become more decentralized. Another change is that the public sector has become more market-oriented. A third change is that the public sector has become more customer-oriented.

The changes in the way that the public sector is organized have led to a number of challenges for the public sector. One challenge is that the public sector has become more complex. Another challenge is that the public sector has become more competitive. A third challenge is that the public sector has become more demanding.

The challenges that the public sector faces are a result of the changes in the way that the public sector is organized. The public sector must be able to meet these challenges in order to continue to provide the services that it is required to provide.

One way that the public sector can meet these challenges is by increasing the number of people employed in the public sector. Another way is by increasing the number of people employed in the health care sector. A third way is by increasing the number of people employed in the social care sector.
